

# Minnesota

Pro-Team Bass Tour

## First Look!

With the merger of Big Bass Bonanza and Excel Bass, the Minnesota Pro-Team Bass Tour was created. These two circuits will keep their individual identity; however, they will come together at the end of the season to compete in the Minnesota Pro-Team Championship! Tournament anglers will be required to fish one complete circuit as well as accumulate points to qualify for the championship. This is exciting news and we look forward to releasing more information as things come together!

All tournament dates are tentative until further notice.

Lake	Date
Sauk Lake	June 3
Green Lake	June 17
