Entry Fees, Reservation Entries, and Deposits

The entry fee is \$600 per team, per event.

Reservation System - We are accepting an unlimited number of "reservation" entries for each tournament. Your entry status and boat number for each lake will be determined by the postmark date on your reservation entry form. Simply send in an entry form with the events checked off that you are interested in. Payment in full will be due 10 days prior to each tournament. Failure to pay in full 10 days prior to the tournament will result in the next reservation entry to fill your position. There is a **one time** \$100 deposit due with your reservation entry. Your deposit will be applied to the entry fee of the first tournament that you fish. For example; if you reserve for five tournaments, the deposit due is \$100, not \$500. Do not hesitate to contact me with any questions you may have about this.
