

## Important Items for 2010

- A team's best 3 finishes will be counted towards qualifying for the TOC (20 Team Field).
- 10-15% of the pot for each regular season SuperSlam will be added to the TOC payout.
- Each tournament will be limited to a 30 team maximum field - Get your reservations in early!
- Whether you are reserving for 1 event or all 10, a \$100 non-refundable deposit must be sent in with your entry. (Teams that do not make it into a 30 team field for any lake will be refunded their deposit.) This is a one-time deposit that will be applied to the entry fee of the first tournament that you fish. For example; If you reserve a spot in 5 tournaments, the deposit due is \$100 not \$500.
- We will be accepting an unlimited number of reservation entries for each tournament. Balance of entry fee will be due 10 days before each tournament. ABSOLUTELY no late entries allowed in 2010. Failure to pay in full 10 days prior to the tournament will result in the next reservation entry filling your spot. Regardless of whether the tournament is full or not, no entries accepted after the 10 day cut-off.
- There is no penalty for reserving for a tournament and ending up not fishing it. The next reservation simply fills your position. Your best bet is to reserve for any tournament that there is a chance that you might fish.
- Your boat ease-off number will be determined by the postmark date on your reservation entry and deposit. Payment in full is due **10 days before** each tournament.
- The payout ratio for 2010 will be approximately 1-in-4 teams. For field numbers that fall in the middle of this ratio, a decision will be made by the tournament director as to how many places will be paid.
- For 2010 - Pre-fishing will be unlimited. All contestants must be off the water by 6 p.m. the day before the tournament.
- Team entry fee is \$600 per tournament

### Point System

- 1000 first place
- 900 second place
- 800 third place, etc....
- 100 points each for 10<sup>th</sup> - 30<sup>th</sup> places
