

2024 Champions Tour Pro-Am Rules/Penalties

Champions Tour penalties will NOT be enforced. The following Champions Tour rules that normally would result in a penalty are encouraged to be followed and educated to the Am.

LANDING FISH:

- When landing a largemouth or smallmouth bass, the fish cannot touch any part of the boat at any time during the landing process such as carpet, windshield, motor, console, etc.
- If the fish comes unhooked from the lure and falls to the deck or floor of the boat it will still be assessed as a violation, even if the bass is a non-keeper.

RELEASING FISH:

- When releasing ANY bass, the angler's hand must be at gunnel level or closer to the water. No flipping or tossing of a bass back into the water is allowed.

LITTERING:

- No littering of any materials in the lake is allowed including plastic baits and fishing line. If an angler directly puts any foreign matter from his or her boat in the water, it must be removed upon notification by the Pro or Am. If a fish removes or breaks a lure off, that is NOT considered a penalty.

BREAKING OFF ON PRIVATE PROPERTY PENALTY:

- Anglers must make a full attempt at getting their lure unhooked from the private property.

THE FOLLOWING RULES WILL BE ENFORCED:

LATE POLICIES:

- Competitors must return to the official takeoff location by the designated check in time as given at the pre-tournament meeting by the Champions Tour Tournament Director.

Penalty – Late Violation: The Competitor will be penalized 1 pound per minute for up to 15 minutes. Total days weight will be disqualified if over 15 minutes late.

PRACTICE:

- One week prior to the tournament, ONLY immediate family members, or a registered Boat Official for that event can pre-fish or be in a boat with a Champions Tour angler.
- While practicing at ANY TIME for a Champions Tour event on that given body of water, no largemouth or smallmouth bass can be transported from one fishing location to another on that given body of water. The only exception is if you are competing in another tournament on that body of water.

SAFETY:

- Safe boating practices are EXPECTED and the responsibility of the Champions Tour Angler's.
- There is a 55-mph speed limit by Champions Tour Angler's during the competition hours, unless local regulations are less.
- It is the Champions Tour Angler's responsibility to be aware of the weather and navigate safely in the given conditions.
- All Competitors are required to wear a Coast Guard approved life vest, securely fastened, always while the boat is being propelled by the main combustion engine.
- Boats must have a kill switch attached to driver of boat when big motor is turned on.
- Running lights must be on if necessary and functioning properly.
- Champions Tour Competitor MUST have a first aid kit in their boat during all Champions Tour events. Competitors must show this kit to Champions Tour Staff at their first event of the season.

AM ANGLER'S:

- AM's are **NOT** allowed to provide any fishing location information to the angler.
- AM's are **NOT** allowed to drive the main engine, unless in an emergency.
- AM's are **NOT** allowed to share any information from previous Champions Tour events where they served as a Boat Official.
- AM's are **NOT** allowed to provide any insight on tactics that would help the angler catch fish.
- AM's **WILL** provide scoreboard updates to the angler, following each fish recorded in the LiveWell App every five minutes.

SCORING OF FISH:

- The minimum size bass will be 1 lb 0 oz in weight.

- Immediately after a legal catch is made by the Pro OR Am:

1. One video will be REQUIRED for each legal bass entry. The video must show the following:

- Angler holding the bass for a “hero” shot

- Shows the bass on the scale, shows the bass’s weight, and nothing touching the bass

- Shows the angler releasing the bass back into water

2. One of the anglers will attach the bass to the scale and the other angler will “call the weight” of the bass and record the video.

3. One of the anglers will then **immediately** record the weight by writing it down on the team’s fish log sheet and **BOTH** anglers will need to initial the weight on the official scorecard.

5. One of the anglers will then enter the fish’s weight and upload the video into the Reel LiveWell App.

Please note that the bass’s weight on the scale MUST match the weight that is both recorded in the Reel LiveWell App AND on the official fish log sheet. If the weight displayed on the scale does not match the weight recorded on the fish log sheet and in the App, that fish catch will be disqualified.

- At **NO** time can Champions Tour Competitor put a bass in their livewell.

- A Champions Tour Competitor’s Am WILL notify Champions Tour Staff if they are having technical difficulties of adding a scorable bass into the LiveWell App IMMEDIATELY at time of technical issue. Instructions will be given at that time.

SIGHT FISHING:

- A bedding bass may only be caught and entered once.

- Any bass that is caught sight fishing must be hooked inside the mouth and shown to their partner.

- Contestants cannot use alcohol or drugs during the tournament.
- At **NO** time can a competitor use cigarettes or cigars during the official tournament hours.
- A Sportsmanship violation is defined as an aggressive behavior or hostile action directed at a fellow Pro or Am, Am, non-competitor, or a representative of the Champions Tour.
- **Use of profanity directed at these individuals will not be tolerated. Am's are required to report violations.**
- Penalty will be determined by the Champions Tour tournament director and Competitor is subject to disqualification.

FLAGRANT VIOLATION:

- Anglers can not alter or manipulate the weight or length of a bass at any time. The penalty will be immediate event disqualification and elimination from all future Champions Tour events.
- A flagrant violation is any act that reflects unfavorably upon the positive efforts of Champions Tour, Champions Tour director, sponsors, spectators, fisheries conservation, & clean waters will not be tolerated.
- Penalty will be determined by the Champions Tour tournament director & Competitor is subject to disqualification.
- If a competitor receives an on the water violation from a Department of Natural Resources Officer, Sherriff, etc., their tournament weight prior to the issuance of the ticket will be erased and they will start over a zero fish/zero pounds when they begin fishing again.

EMERGENCIES:

- Competitors shall always remain with their Am in the boat during the tournament, except in the event of health concern, severe storm, other weather, boating or navigational hazard.
- Competitors may leave the boat to dislodge boat but are required to return to the boat in a prompt manner. A penalty will not be assessed in this situation.
- Going to shore to use a public restroom is permitted for either a competitor or Am. No fishing shall take place unless the Am and Competitor are both back in the boat.

COMMUNICATION:

- In case of emergencies, severe weather conditions or event instructions, Champions Tour Staff will text instructions to the Competitors and Am's phone, with the details. It is the Competitors responsibility to be aware of incoming text messages on their phone.
- At **NO** time can a competitor inform or instruct there Am to not answer a phone call or text message from the Champions Tour staff. If the Champions Tour staff calls or texts the phone of the Competitor or Am, the Am **MUST** pick up, reply, or call back immediately following the boat ride or fish catch. If at any time the Competitor instructs the Am to not answer or reply to a Champions Tour staff phone call or text message, the Am **MUST** inform the Champions Tour Tournament director immediately. If it is determined that a Competitor has instructed a Am to not communicate with Champions Tour Staff, or provide the Champions Tour Staff with an accurate location information, that Competitor will receive a 10 lb penalty and may be subject to not receiving future Champions Tour invitations.
- Competitors shall be **prohibited** from using cell phones, pagers, text messaging or marine band radios to contact or communicate with other anglers, non-competing anglers, family or media staff, other than for emergency reasons.
- **NO** team fishing or the sharing of information or strategy between Competitors. This goes into effect at the pre-tournament meeting as soon as the lake split is announced until completion of the event.
- Any communication between anglers for the purpose of assisting another competitor returning to the "weigh in" due to a mechanical failure will first **need to be approved by the tournament director.**

PROTESTS:

- If a Competitor witnesses a rule infraction, he/she must inform the Champions Tour Tournament Director **within 15 minutes** upon arrival to the check-in site at the conclusion of the tournament. Protest **MUST** be in writing and can **NOT** be anonymous. You must also keep your Am angler in your boat and with you until the protest has been reviewed by the Tournament Director. The protest must include the angler's name that is being protested, description of the angler's boat, detail of the rule infraction, as well as the time of infraction.
